Dear Dr. Shapiro and Ambassador Soderberg:

Thank you for your letter highlighting your concerns regarding Argentina's debts to U.S. citizens.

The well-being of U.S. investors in Argentina is an important priority for the Department of State. We will continue to urge the Government of Argentina to abide by its commitments and normalize its relations with all creditors and investors.

As we move forward in this process, I encourage you to remain in close contact with the Department's Bureau of Western Hemisphere Affairs and the Bureau of Economic, Energy, and Business Affairs. We are committed to working with interested parties to try to address their legitimate concerns.

Sincerely yours,
